**Disclaimer:** The Gush Colour Chart 2018 has been algorithmically-sorted and augmented by human visual perception. While we have done our utmost in ensuring that the colours shown here closely match the ones you will eventually use, the perception of these paint swatch colours will ultimately vary depending on your screen settings and resolution. Nevertheless, this colour chart has been created to help you develop ideas on how to make your interior spaces beautiful, sustainable, and healthier for the people you love.
